of difficult words.

Previous knowledge

Islam is the religion of simplicity. It always encourages simplicity.

Islamic history has countless examples of simplicity.

Declaration of Topic

Today we are going to study about Khalifah name Umer Bin Abdul Aziz who always teaches to follow simple life.

Once there was a Khalifah, who was famous for his kindness and generous administration. There were some distinguished people who were the cause of constant worry to him. The Khalifah thought to teach them a lesson. He invited some prominent people to dinner. The dinner was too late. The guests were all hungry. Khalifah presented them grains. They ate these grains to fill their bellies.

After that steaming hot food was served to them. But they refused to eat because they did not feel hungry anymore. At that point the pious Khalifah spoke out that if they could not satisfy their appetite with so simple diet. So why they snatched the properties of others. At that they burst into tears and decided not to extravagante in future.

Previous Knowledge:
